FSM AERONAUTICS CODE TITLE 20, CHAPTER 4, PART 403. TARIFFS OF AIR CARRIER

(1) Every air carrier and every foreign air carrier shall file with the Secretary, and print and keep open to public inspection, tariffs showing all rates, fares, and charges for air transportation between points served by it, and between points served by it and points served by any other air carrier or foreign air carrier which through service and through rates shall have been established, and showing to the extent required by regulations all classifications, rules, regulations, practices, and services in connection with such air transportation.

(2) Tariffs shall be filed, posted and published in such form and manner and shall contain such information as the Secretary shall by regulation prescribe; and the Secretary is empowered to reject any tariff so filed which is not consistent with this section and such regulations. Any tariff so rejected shall be void.

(3) The rates, fares, and charges shown in any tariff shall be denominated in units of currency of the United States, but such tariff may also state rates, fares, and charges in terms of currencies other than of the United States, and may in the case of foreign air transportation, contain such information as may be required under the laws of any country in which or to which an air carrier or foreign air carrier is authorized to operate.
